

## MEDICATION DELIVERY INFORMATION FOR PARENTS

**All prescription medications must be labeled by the pharmacy and in the original container.** If your child's medication needs to be split into two containers, then you **MUST** contact the pharmacy to request another labeled bottle so that the portion provided to the school is labeled properly.

**All over the counter medications must be in the original container.**

**A PARENT/GUARDIAN MUST BRING THE MEDICATION TO THE SCHOOL!**

**\*\*We will NOT be accepting ANY medications brought to us by a student\*\***

**Health care provider AND parent permission are required for all [prescriptions](#) and [over the counter medications](#) used at school and school sponsored activities.** Tapestry Charter School has permission forms which may be used and can be found on our website.

Unless we receive your child's medication and updated physician's orders we will not be able to provide your child with the level of care required.

Please be informed that the remaining medication will need to be picked up at the end of the school year. We will dispose of any medications not picked up by a certain date.

Thank you for your attention to this important health issue.

Yours in health,

Judy Smyntek, LPN
