

Tapestry Families, we want our students to have a SAFE Picture Day!

To ensure all our students have the opportunity to have their picture taken in a safe manner, with plenty of social distancing, we are having **two separate picture days**. **Your child will have their picture taken on the assigned day for their grade level.**

Order your pictures online (click on the link): [Inter-State Studios - Tapestry Charter School](#)

Picture Day #2 – Friday, October 9thth

On this day the following student may have their picture taken:

- First Grade - "in person" students
- Third Grade **Hybrid B Day**
- Fourth Grade **Hybrid B Day**
- Kindergarten - **Remote** students, by appointment only, [click here to schedule your appt.](#)
- First Grade - **Remote** students, by appointment only, [click here to schedule your appt.](#)
- Second Grade - **Remote** students, by appointment only, [click here to schedule your appt.](#)

How are we keeping students safe?

- We will have the photographer working in our gymnasium this year to allow for plenty of room for students to social distance.
- Students may only remove their mask when their picture is being taken.
- This is the second of two separate picture days to allow for lots of extra time for students to have their picture taken and reduce the number of students entering the gym.
- We will have 2 Tapestry staffers on hand to track students and monitor safety protocols.
- We are encouraging all families to place their picture order online (see below). This eliminates the need for paper forms to be transferred from the student, to the teacher, to the photographer.
- Photographers never need to have contact with a student as Inter-State Studio uses placement mats to guide students where to stand for their picture.
- Remote students** will have the option to have their picture taken by appointment only, **AFTER** all "In-person" students have had their picture taken for the day.
 - The remote students will not have any contact/interaction with the students in the building.
 - The remote students will enter/exit the gym directly from the visitor parking lot.

-Remote students must have a mask on to enter the building. Students may remove the mask when their picture is being taken.

-Remote students will have their temperature checked upon entering the building.

-**Parents will not be able to enter the building** to supervise their child's portrait session.

No family is obligated to have their child's picture taken. Tapestry asks that families who opt out of picture day, please email the school (riveran@tapestryschool.org) an image of their child we can use in our annual yearbook.

PICTURE RE-TAKE IS SCHEDULED FOR NOVEMBER, THURSDAY, NOVEMBER 12TH!

Questions can be directed to the main office at 716-332-0754.
