

**Tapestry Charter School  
Fourth Grade Classroom Supply List**

Hello 4th grade Families!

Due to the current landscape and safety precautions, there will be no communal supplies in our classroom this year. As outlined below, each student should have a large pencil case. They will be storing all the supplies they need for lessons in that case. It will move with them to Super Subjects so that they also have their own supplies there. Please make sure that every item, down to the individual pencils, has some sort of name label on it so that we can keep things organized and safe. Extra supplies that are not being used at the time, will be stored in each student's locker. There are a few supplies that do not need to be labeled because they will be used by the teacher for the classroom as a whole. These are under the heading "classroom supplies".
