

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

Keep me at home if...

Call the doctor if...

TAPESTRY CHARTER SCHOOL K-4 SICK CHILD GUIDELINES

Students who come to school sick will not be able to perform well and most likely will spread the illness to other children and staff. Please make arrangements ahead of time so you will not be caught off guard.

Please **do NOT send your child in** with the following symptoms

- Fever (100+) in the past 24 hours, WITH/WITHOUT medication – has to be fever free for 24 hours before returning to school
- Flu Symptoms (chills, cough, headache, body aches, stomachache)
- Vomiting in the past 24 hours
- Consistent diarrhea in the past 24 hours
- Bad cold (very runny nose, bad cough – especially if the cough is keeping child up during the night)
- Severe sore throat
- Strep Throat (must be taking antibiotic for at least 24 hours before returning to school)
- Ringworm – must be on medication for 24 hours before returning to school and keep area covered for 48 hours.
- Head Lice- must bring in proof that child has been treated
- Conjunctivitis (Pink eye) – 24 hours after treatment, if not treated, note required from doctor

Please make sure that the school has your most current contact information so that you may be reached if you child becomes ill during the school day. You will be contact if the school nurse or teachers feel that the child is too sick or is contagious to others to benefit from remaining in school. These guidelines are for the best interest of all the students in our school.

Thank you for your continued support!
