LETTER FROM THE PRINCIPAL, MRS. LEE

Dear Middle School Families and Caregivers,

I hope the summer is treating all students and families well. With the start of the month of August, we are beginning the countdown to the start of the 2022-2023 school year. We are excited to welcome all students back in September and especially excited for 5th graders as they start in on middle school for the first time!

This upcoming school year is going to be our **year of kindness**. Kindness to others and kindness to self. As you know, the middle school years are such a critical time in the development of students. Through engaging in a culture of kindness and learning and applying social and emotional learning skills, students will be able to learn grade level standards at the highest potential this year. I look forward to working with each of you, our teachers and students to make this year a success.

As you prepare your child for coming back to school, please do note that all important documents are available on our website, this includes summer reading assignments and school supply lists.

Meet Your Crew

At Tapestry, we often say and you will hear, "We are Crew," this comes from the value of teamwork, relationships and building a beautiful community together. Crew itself is a powerful avenue in which we believe in and comes into our daily lives. We would like to provide the opportunity for your child to meet their new crew leader and crew classmates at the **Meet Your Crew** event on Thursday, September 1st. At Meet Your Crew, you and your child will:

- ☀ Participate in a mini crew lesson. Please be ON TIME.
