

JUNE 2023

Dear Parent/Guardian,

All incoming 8th graders are expected to complete a Summer Reading Assignment **using a book of their choice**. **The book must be at least 100 pages in length, and can be borrowed from any library, ebook or a pdf copy listed below.** My purpose in asking your child to read over the summer is to continue to develop an appreciation and enjoyment for reading while being accountable for the assignment.

Over the summer, your assistance with setting up a time for your child to read will help him/her to get off to a successful start to the school year. Feel free to have your child read parts of his/her book to you, or you may take turns reading parts to each other. Try to encourage your child to read a little bit each day. The assignment is due no later than October 6th, 2023 and counts as a test grade in Q1. Your child will continue to complete independent reading assignments throughout 8th grade.

Thank you so much for supporting this assignment. Feel free to reach out to me [santoraa@tapestryschool.org](mailto:santoraa@tapestryschool.org) with any questions you may have as your child works on the Summer Reading Assignment. I look forward to meeting your child and working with him/her throughout the 2023-24 school year.

Happy reading!
